Abstract: SFSP is authorized under section 13 of the Richard B. Russell National School Lunch Act (NSLA) (42 U.S.C. 1761). The SFSP is directed toward children in low-income areas when school is not in session and is operated locally by approved sponsors. Local sponsors may include

public or private non-profit school food authorities (SFAs), public or private non-profit residential summer camps, units of local, municipal, county or State governments, or other private non-profit organizations that develop a special summer program and provide meal service similar to that available to children during the school year under the National School Lunch Program (NSLP) and the School Breakfast Program (SBP).
